PRIORITY – Storage Bins

AKR/1178

EXTRA-HEAVY-DUTY LARGE PARTS BIN

•Heavy-duty bin designed for 24" deep shelving
•Extra-heavy-duty mould is water, rust, and corrosion-proof as it is constructed out of polypropylene with talc added for extra strength
•Moulded handle underneath for pulling the bin out, and structural supports on the sides give this bin durability and the strength it needs

•Blue in colour
•11-1/2" W x 24" L x 9" H
Part No. LSB-1124.

STORAGE BINS

42" PLASTIC WAREHOUSE STORAGE BIN

•NFPA 13 compliant (perforated floor to allow water flow)
•Stackable

•Fits 8 wide in standard pallet racking
•Container is divisible for dense pack out
•Place up to 4 sku's in one container
•Durable and lightweight
•Ergonomically designed handle
•Large opening for product visibility
