

Pass It On

HELPFUL TIPS AND SUGGESTIONS!

At Gregg's we have over 120 sales staff who are regularly exposed to learning experiences through their sales calls. In an effort to have this knowledge shared with those who could use it the most, we have developed a new initiative called "Pass It On". This flyer lists some of these products and their out-of-the-ordinary applications. We hope you find the information useful for your own operations!

Can't get into your vehicle? Pour **Ace Methyl-Hydrate** into spray bottles to use for de-icing frozen doors and locks. It is also great for removing fuel and sticker residue!
Part No. (KLF) 984, 1 Litre.

Not only is **Floor Dry** used for absorbing oil, but it is great for getting tire traction on snow and ice covered roads. Sprinkle some Floor Dry in front or behind your tires to get you on your way.
Part No. (III) FD85N, 20 lb. bag.

Keep road maintenance trucks and snowplow tanks in excellent working condition with **RV Plumbing Antifreeze!** Pour the antifreeze into your liquid salt brine tanks to flush the lines after every use.
Part No. (LLL) ECRV-4, 3.78 L.

Pass It On

HELPFUL TIPS AND SUGGESTIONS!

Do your vehicle lights build up with snow, making it hard for other drivers to see you? Since LED lights do not give off much heat, spray your vehicle lights with **Fluid Film® Lubricant**. Not only will it keep the snow from covering your lights, it prevents rusting and is environmentally friendly!

Part No. (JJJ) 3300, 333 g.

Another great product that can help in Canada's famous winters is the **Heavy Duty Silicone Lubricant**. Use this product on vehicle door trims to prevent them from freezing and/or sticking.

Part No. (CRC) 75074, 213 g.

Are your jobsite trailer pipes frozen? Mix **Isopropyl rubbing alcohol** with dish soap and pour it down your outside drainage pipes to thaw them quickly.

Part No. (SWY) F2501189, 4 L.
